

FELLOWS PROGRAM APPLICATION

The Fellows Program at Concordia College stimulates students academically, culturally, and socially, while challenging its members to make a difference at Concordia and beyond. Students who have achieved a high level of success during their high school years are encouraged to apply. The Fellows Program is highly selective and students must demonstrate their dedication to their studies as well as involvement in various activities on-campus. Every year, a handful of new applicants are admitted into the Fellows Program.

In order to apply for the Fellows Program, a student should meet the minimum qualifications as stated below:

- Rank in the top 10% of their graduating class (high school seniors)

- Combined SAT scores of 1270 (Critical Reading and Math sections) / ACT composite score of 26
- Have a proven dedication to service in school, community and church

The application to the Fellows Program requires an application letter, two additional letters of recommendation, a sample of the individual's respective work, as well as copies of the student's official transcripts and standardized test scores.

APPLICATION LETTER

The student should explain why he/she is a good candidate for the Fellows Program. I.e. What does he/she hope to get from participating in the Program, and what does he/she bring to it?

LETTERS OF RECOMMENDATION

These letters should be written by individuals who are familiar with the student's academic achievements and contribution to the community. A student who wishes to use the same letters of recommendation that were submitted with their original application to the college needs to request a supplemental letter that focuses on why the student is a good candidate for the Fellows Program. Please be sure to provide your reference with the following sheet detailing the program.

SAMPLE OF INDIVIDUAL'S RESPECTIVE WORK

This sample can be submitted in the form of an essay, portfolio, artistic piece, publication, etc. and should represent both the student's academic and creative abilities. It should be something that represents the student at his/her best – something he/she is proud of. Students should use this opportunity to showcase their individual strengths.

OFFICIAL TRANSCRIPT AND STANDARDIZED TEST SCORES

Copies of a student's official documents will be provided by the Office of Admission.
